6 yrs commercial & program delivery · GPA 3.8 M.S. Management · 8 partner integrations closed

Summary

PMP-certified project manager with six years delivering cross-functional product launches and change initiatives across consumer-health and fintech. Manages scope, schedule, and budget across Agile and Waterfall environments, with a track record of on-time delivery and stakeholder engagement up to executive level. M.S. Management, Riverton University (GPA 3.8), concentration in Business Analysis.

Experience

Program & Outreach Coordinator Feb 2026 – Present
Harborlight Community Foundation Toronto, ON

- Built a tiered outreach system spanning 9 partner categories and 4 engagement stages — standardized templates, a prospect database, and a tracked follow-up cadence.

Business Development & Marketing Manager Jun 2023 – Jan 2026
NovaCare Consumer Health Inc. Toronto, ON

- Delivered a cross-functional program to launch the company's first direct-to-consumer channel, coordinating sourcing, contract negotiation, and rollout across 3 retail chains and a new webstore.
- Led a 6-person cross-functional team (marketing, e-commerce, design, operations), setting priorities, coordinating output, and running the weekly delivery cadence.

Business Analyst, Partnerships Jul 2020 – May 2023
Meridian Financial Technologies *(North American arm of a global fintech group)* Toronto, ON

- Tracked adoption, revenue, and pipeline KPIs through monthly business reviews, translating performance into recommendations that shaped roadmap and resourcing decisions.
- Coordinated delivery of 8 partner integrations end to end, aligning product, legal, and finance to launch each on schedule.
